Parent Survey

In an effort to provide Chandler Unified School District (CUSD) Indian parents with additional support, we are gathering information on the types of parenting classes that might be of importance or interest. The Gila River Indian Community Prevention Specialist has offered to provide parenting classes to our CUSD Indian parents and children. We are happy to offer these opportunities but wanted to make sure we are meeting parent needs. Please take a few minutes to complete this interest survey.

To complete the survey please visit [www.mychandlerschools.org](http://www.mychandlerschools.org). Go to the "Departments" tab at top of the page. Click on the "Indian Education" section and find the "Parent Survey" link. After completing the survey, hit the "Send" button. Thank you for taking the time to complete the survey. We appreciate your feedback!
