## Listening Quiz

Questions	Yes	No
1. I anticipate what people will say next as they are speaking.		
2. I'm constantly judging the merit of what people say from the very first sentence.		
3. I discount what other people say, if they don't agree with my opinions and values.		
4. I rarely pay attention to other people's nonverbal cues (such as body language and facial expressions.)		
5. I let my biases and opinions affect my ability or willingness to listen to what people		
6. I prepare what I'm going to say in response while the other person is talking.		
7. I often interrupt people to speed along a conversation or to inject my opinion.		
8. If I disagree with people, I interrupt them immediately to set the record straight.		
9. Most of the time, I am ready with a response right when the other person stops talking.		
10. If the other person is long winded or boring, I stop listening.		
11. When I stop paying attention to someone, I try to look like I'm listening anyway.		
12. When I know what people are going to say, I don't wait for them to finish, but answer right away.
